📍 The Curragh Racecourse

The Curragh Racecourse, Co. Kildare.
12 months

Contractor: John Sisk & Sons

Architect: Grimshaw, MMA Architects

Description

Glenn Wood Tullamore in conjunction with John Sisk and Sons contractors, completed Irish Racing's biggest ever capital development project in the historic Curragh Racecourse. This sweeping re-development, designed with Irish and UK Architects banished the Curragh's rustic old charms and now sits as an iconic venue for Irish Racing. Glenn Wood took pride in delivering this unique project to the client, with exceptional high end finishes to the Bar Areas, Suites, and Grand Hall that included so many diverse materials to the desire of the top Designers and Architects.

📍 L'Oscar Hotel London

📍 Hogs Head

Hogs Head, Co Kerry.
9 months

Contractor: A&M Greens Construction

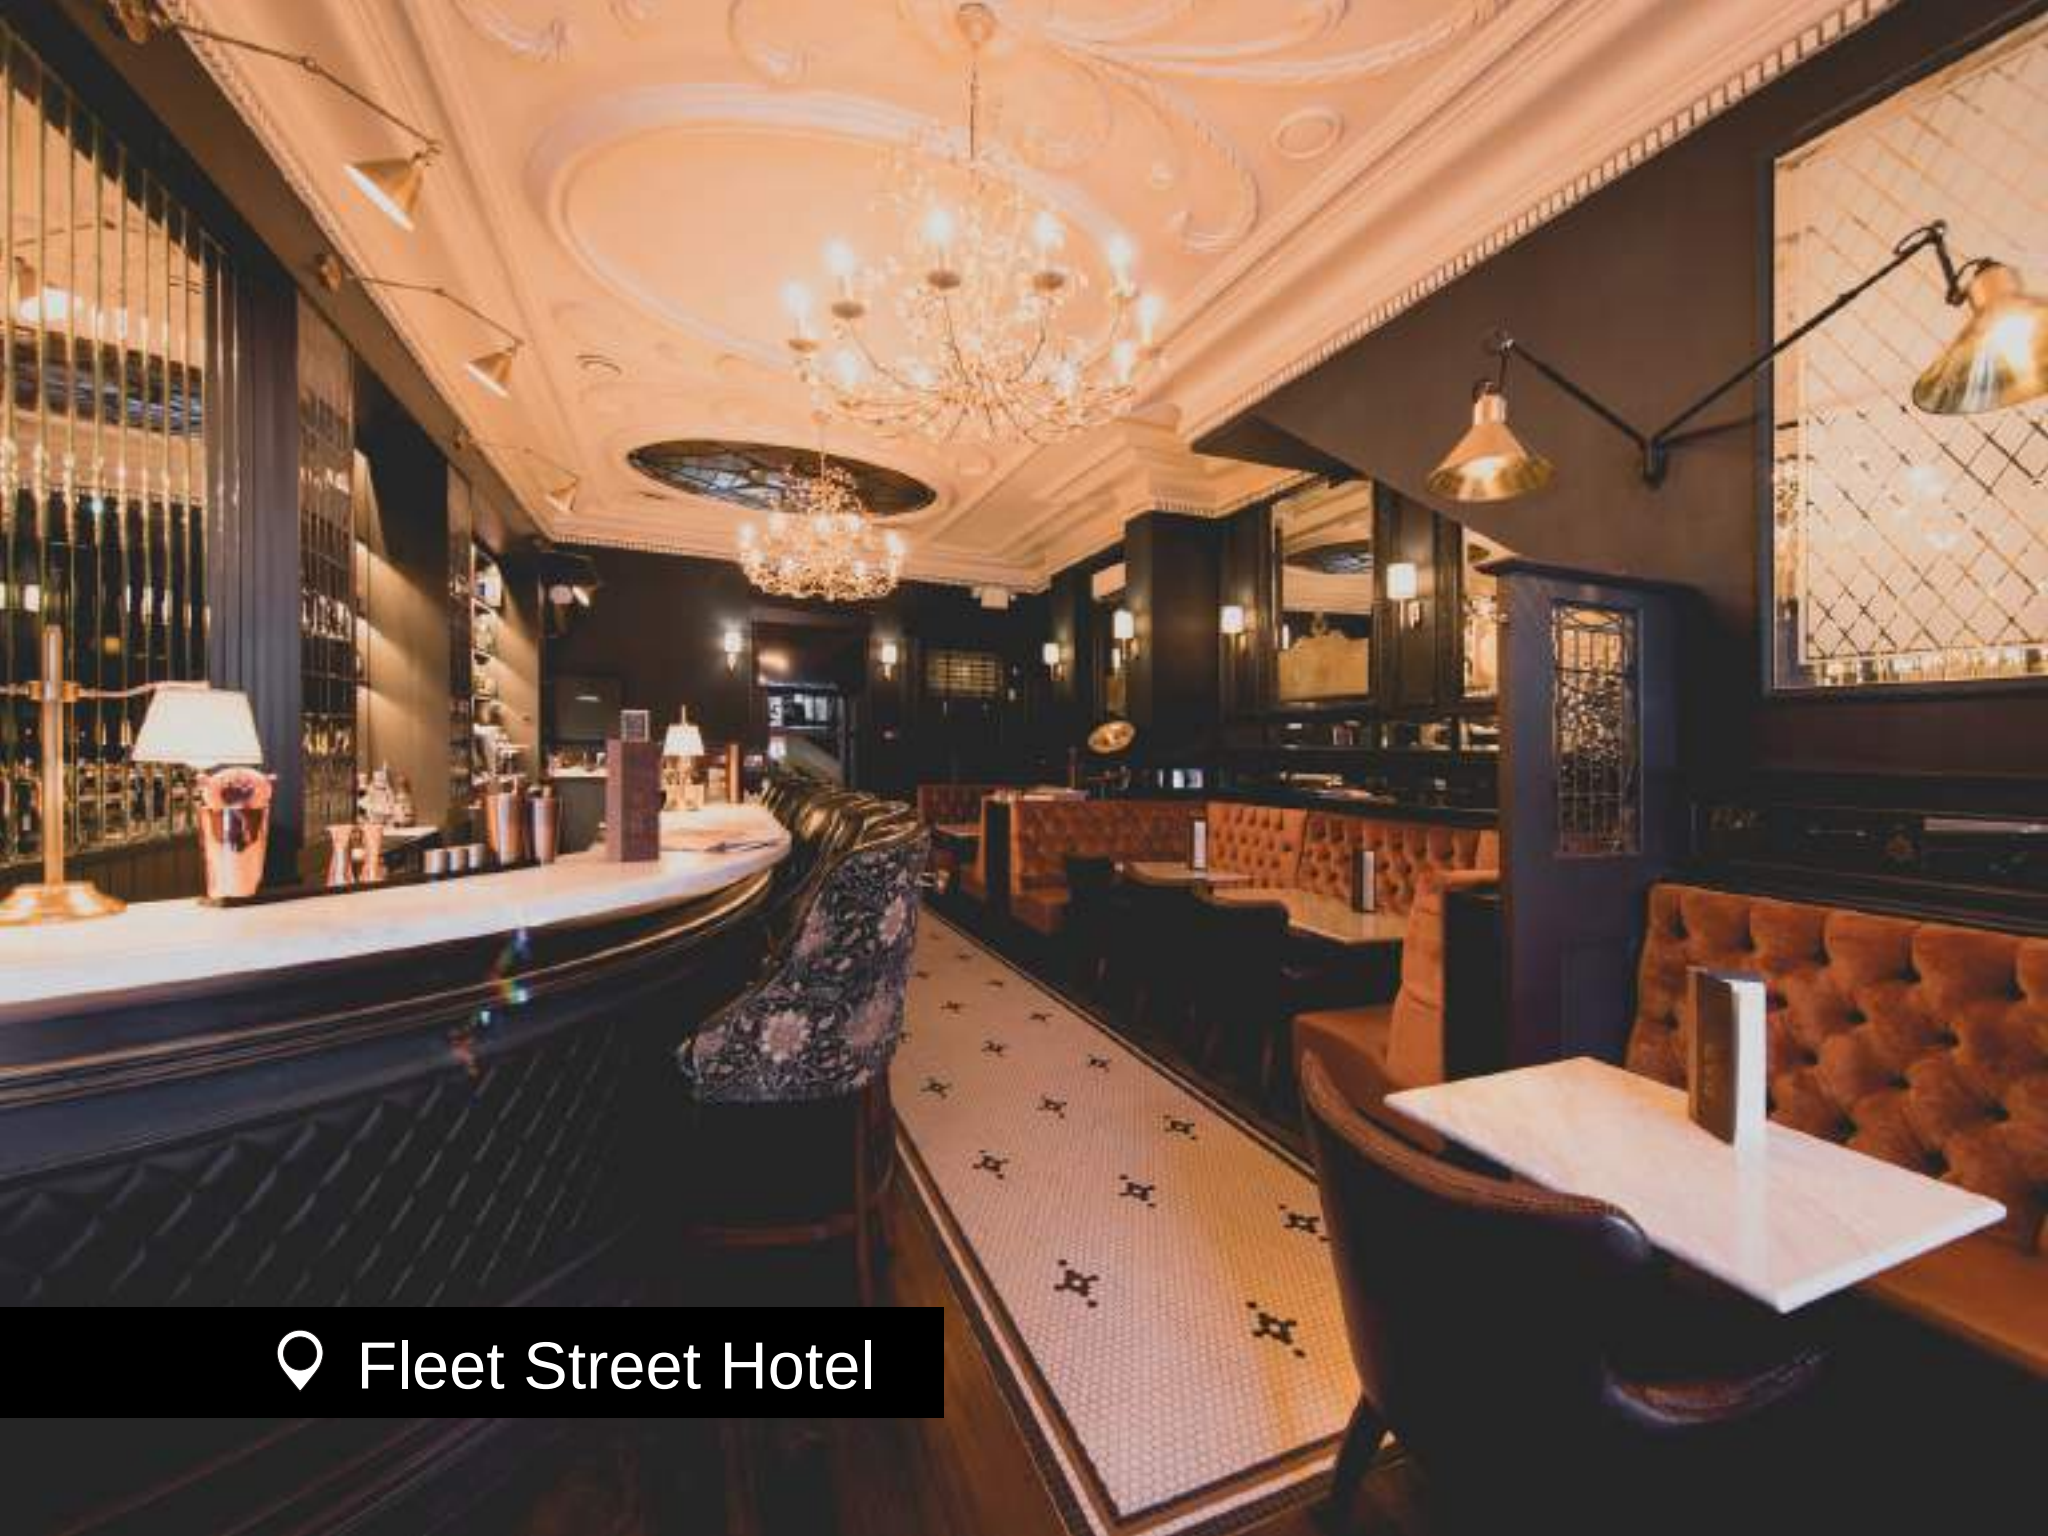

Architect: Henry J Lyons

Description

In conjunction with Henry J Lyons Architects and A&M Greens Construction, Glenn Wood completed this breathtaking refurbishment of Hogs Head Hotel and Spa.

The project spanned over 9 months with work completed by Glenn Wood including; Joinery, Wall Panelling, Wine Storage Units, Bespoke Reception Desk and Bar, Juice bars and Therapist Counters, and the use of various materials and glass. The project resulted in an impressive finish reflected by its world glass location and majestic views.
